

POLITICAL TALK

Heard from the Various Camps
During the Week About
Men Prominent in
Politics.

What the Leaders Are Doing and
What People Have to Say
About Them.

Lynden Evans has a walkaway for
re-election to Congress in the ninth
district. His fine record has won for
him the support of the people in every
part of the district.

Robert E. Wilson received the high-
est vote cast for Democratic candi-
date for nomination to the legislature
in the sixth district at the primary.
This proved conclusively that he was
the first choice of the rank and file
of the party in the district. He will
be re-elected with ease.

Stephen A. Malato is entitled to the
support of all good citizens in his cam-
paign for Municipal Judge. His clean
and able record as a lawyer and a citi-
zen makes his candidacy for a seat
on the bench one that every honest
citizen can vote for.

The candidacy of John E. Maloney
for County Commissioner should ap-
peal to all classes of voters. His fine
record as a business man and a citizen
along with his lifelong residence in
Chicago makes him the right man to
place on the County Board.

In nominating James M. Dalley for
Sanitary Trustee the Democratic vot-
ers showed good judgment. He is
qualified in every way for the pos-
ition.

In County Assessor Walter E.
Schmidt the people have an honest,
able and energetic public official. He
deserves a re-election on the strength
of his fine record.

Joseph F. Connery deserves to be

elected County Recorder. He is qual-
ified in every way for the office and
his election will give the people a
public official that they will be proud
of. Mr. Connery is the kind of a man
the people need in public office. He
is a man of ability and force of char-
acter. He has had an extensive ex-
perience in dealings in abstracts and
records in connection with real estate
and legal matters, which fact makes
him especially well fitted for the po-
sition of County Recorder of Deeds.
Mr. Connery has a splendid record to
his credit both as a business man
and a citizen. He received the fol-
lowing recommendation from the Mu-

experienced in important business af-
fairs; signed league platform."

For County Commissioner the vot-
ers cannot select a better man than
John E. Maloney. His record com-
mends him for the position.

Arthur W. Fulton's candidacy for
Congress in the sixth district is arous-
ing enthusiasm all over the district.
His fine record as a lawyer and as a
member of the city council is well
known to the voters.

Wilson's supporters in Chicago are
so sure of his election that they have
commenced slate making for the local
jobs already. The latest slate spoken
of as likely to be agreed upon by the
leaders, lines up as follows:
Postmaster, Andrew J. Graham.
Collector of Customs, John Minwe-

U. S. Marshal, W. R. Skidmore.
Collector of Internal Revenue,
Thomas J. Dawson.

United States Attorney, James J.
Kelly.

Naval Officer, James A. Pugh.
Appraiser of the Port, T. A. Cum-
mings.

Pension Agent, Walter T. Stanton.
Sub-Treasurer, Stanley H. Kunn.

Joseph S. La Buy has a clean and
able record to his credit as a lawyer
and a citizen and his candidacy for
Municipal Judge deserves to be suc-
cessful.

The Conocery has declared war on
Dunne and MacLay Hoyne. It has
passed the word to all members of
the Door Mat Collectors' Union to cut
these honest men at the polls.

Lynden Evans should prove a win-

ner for re-election to Congress in the
Ninth district. His record during his
first term has been a clean, able and
brilliant one in every respect. It has
showed him to be at all times a faith-
ful and hard working representative
of the people.

Charles Krutchoff, Republican candi-
date for member of the board of
county assessors, deserves to be elec-
ted. He is at present chief clerk of the
board and his record there has been a
very excellent one. He is acquainted
in every way with the workings of the
tax system and his election next No-
vember will place on the board of as-
sessor one of the best qualified men
ever on it. Mr. Krutchoff has been
employed in the office of the board of
assessors since the present assessment
law went into effect in 1899. Has
made steady advance since that time
from a minor position to that of chief
clerk of the board. His continuous
employment and advancement during
the several administrations of the as-
sessor's office conclusively shows his
ability. Mr. Krutchoff was born in
Chicago, November 1, 1871. Was edu-
cated in the public schools of Chicago.
Has lived in the South Town of Chi-
cago all his life—40 years—and in the
same neighborhood. He is married and
the father of a family of two children.
Mr. Krutchoff would serve the tax-
payers ably, honestly and fearlessly as
member of the board of assessors.

County Judge John E. Owens can be
found at all times working honestly
and fearlessly in the interests of the
people.

John E. Maloney should prove an
easy winner for County Commissioner.
He is well known and well liked all
over the county. The Democrats
couldn't have named a better man.

Some Items of Interest From the
Public Offices About Occur-
rences of the Week.

The water supply in the downtown
and stockyards districts is held to be
inadequate, according to the report of
the National Board of Fire Under-
writers issued Monday. The board
has been inspecting the various
phases of Chicago's fire protection
system.

Experts on water supply, building
construction, fire departments, elec-
tricity and all the various factors that
go to the prevention and extinguish-
ing of fires have co-operated on the
report, which is, in the main, com-
mendatory.

Several serious flaws in the fire pro-
tection system are pointed out, how-
ever, besides the insufficient supply
of water in the loop, the stockyards
and several outlying districts, and the
early installation of a high-pressure
system is strongly urged.

The fire alarm service is held to be
entirely inadequate and only fairly
reliable; the fire department is praised
for its efficiency, though the equip-
ment is not deemed sufficient to the
needs.

The new milk ordinance went into
effect on Tuesday.

Some of its provisions will not be
enforced for several months through
their very nature, but milk that does
not come up to the established grade
of "pure milk" will have to be pas-
teurized.

"It is not as good an ordinance as
could be wished," said Health Com-
missioner George B. Young, "but it
will give the city protection which it
did not have. We do not intend to
start a whirlwind campaign against
the milk dealers. We shall confine
our efforts for the present to taking
care of complaints that are sent to us
by citizens. If the supply is good and
immediate steps are taken to correct
bad conditions, we shall content our-
selves with this course for the pre-
sent. If there are flagrant violations
of the ordinance, or we find milk in
bad condition, we shall make a
searching investigation and shall
prosecute all offenders."
